

“THE BOOK AND THE RAINBOW”

ONCE, IN A SMALL TOWN, THERE LIVED A GIRL NAMED ZIA. She and her sister Mary were playing out in their front yard one day when they saw a hole in the shape of a small rectangle. Suddenly, a book came flying out and into their yard. When it saw them, it became frightened and flew away, but not before Zia and Mary grabbed on to it. The book carried them into the sky. Suddenly, a rainbow appeared. The book slid down it.
